STEREO TAPE ESCAPE

Plan your escape with the Stereo Tape Escape. It's as simple as popping in a tape and putting on the feather-weight (2-oz.) headphones.

You get tone and channel controls to custom-shape the great stereo sound. And there's an extra jack so you can even escape with a friend.

STEREO RADIO ESCAPE

Built-in automatic frequency control lets you escape with ease by locking in your favorite FM station.

And just like its slightly bigger brothers, the ultra-light AM/FM Stereo Radio Escape has separate

left and right channel controls, an extra jack for a friend, and, of course, incredible sound.

STEREO GREAT ESCAPE

Turn on a tape or tune into the FM radio. How you choose to escape is entirely up to you when you have the Stereo Great Escape.

Separate channel controls, an extra jack for a friend, and two

escape routes make this one machine you shouldn't let get away.
